

MCON CURE CC

READY TO USE WHITE PIGMENTED
CONCRETE CURING COMPOUND

Product Description :-

MCON CURE CC is resin-based pigmented concrete curing compound and is formulated from hydrocarbon resins. It may be used on interior, exterior, vertical, and horizontal concrete surfaces. It is white pigmented non-toxic, aqueous solution which when applied to fresh concrete surfaces, reacts with free lime and seals the pores, thus reducing the evaporation of water from the mix, which assists in curing process. It is used as a curing aid for fresh concrete floors, screeds, granolithic toppings and vertical surfaces.

Features & Benefits :-

- Eliminates water curing. Columns, beams, slabs can also be cured with curing compound.
- Replacement to irregular, insufficient and delayed curing.
- Can be used as a curing aid If wet curing is not possible.
- For larger areas of concrete surfaces which are opened to sunlight, wind etc. curing is big task. But with the presence of curing compound it is easier.

Areas of Application :-

Concrete Floors

Screeds

Granolithic Toppings

Vertical Surfaces

Technical Details :-

Homogeneity	Homogeneous
Colour	Milky White
Standards	Confirms to ASTM C 309 Type 1
Chemical Base	Co Polymer resins
State	Liquid
Density	1.15 - 1.17
Chloride Content	< 0.10 mass
Drying Time	2 hours approx.

MCON CURE CC

READY TO USE WHITE PIGMENTED
CONCRETE CURING COMPOUND

Easy To Apply :-

- Curing compound is applied when the finishing is completed and free water present on the surface gets disappeared.
- The curing compound is applied through spraying pipe as shown in above figure with constant rate of pressure.
- In small areas, we can also use brushes or paint rollers to apply curing compounds.

Coverage :-
50-55 Sq.ft Per Ltr

Packing :-
5 , 50 & 200 Ltr

Shelf Life :-

- 12 months in original packing if stored at room temperature i.e.25° C

Precautions & Safety :-

- MCON CURE CC is non-toxic.
- However, splashes on the skin should be washed well with water and in contact with eye occurs, wash well with water and seek medical advice.

An ISO 9001 : 2015 - An ISO 14001 : 2015 - AN BS OHSAS 45001 : 2018
