

## MCON SRP 200

MID PC BASED SUPER PLASTICISER CUM  
SLUMP RETAINER FOR HIGH GRADE CONCRETE

### Product Description :-

MCON SRP 200 is a superplasticizer for free flowing concrete in floors, slabs, foundations, slender components with dense reinforcement, walls and columns and other structural elements. It is a high range slump retaining admixture which is based on the next generation of polycarboxylate technology. Concrete produced with MCON SRP 200 admixture achieves significantly higher early age strength than first generation polycarboxylate high range water-reducing admixtures.

### Features & Benefits :-

- High slump retention to give flow-able concrete even after 120 minutes and more.
- Minimizes the need for slump adjustments at the job site.
- Improved dispersion properties with excellent work ability.
- Faster turnover of forms due to accelerated early strength development.
- Used in fast track construction, RMC Plants.

### Areas of Application :-

*Ready Mixed  
Concrete*

*Precast  
Concrete*

*Pre Stressed  
Concrete*

*Pumped  
Concrete*

### Technical Details :-

Colour	Raddish Brown Liquid
Chemical Base	Aqueous Solution of Poly Carboxylate
State	Liquid
Density	1.1 ± 1.2 g/cm <sup>3</sup>
Chloride Content	<1%
pH	6 - 7

## MCON SRP 200

MID PC BASED SUPER PLASTICISER CUM  
SLUMP RETAINER FOR HIGH GRADE CONCRETE

### Easy To Apply :-

- MCON SRP 200 can be added into the mixing water or directly into the concrete mixer after 50 – 70% of the mixing water has been added.
- The addition of MCON SRP 200 to dry aggregate or cement is not recommended.
- To achieve optimum performance a minimum wet mixing time, which is depending on the mixing conditions and the mixer performance, of 180 seconds is recommended.

### Dosage :-

300 gms / Bag Of  
Cement

### Packing :-

250 Kgs HDPE  
Drum

### Shelf Life :-

- 12 months in original packing if stored at room temperature i.e. 25° C

### Precautions & Safety :-

- MCON SRP 200 is non-toxic.
- However, splashes on the skin should be washed well with water and in contact with eye occurs, wash well with water and seek medical advice.

ADMIXTURES

An ISO 9001 : 2015 - An ISO 14001 : 2015 - AN BS OHSAS 45001 : 2018
